

THE CRUSADE OF PRAYER AND PRAYER GROUPS

WHAT ARE CRUSADE PRAYERS?

Messages of Maria Divine Mercy contain not only prophecies and spiritual guidelines but also, and maybe even primarily, Crusade Prayers given to us by Jesus, God the Father and Our Lady. There are many Graces associated with these Prayers and many conversions - these Prayers are of a great spiritual significance.

We have received 170 Crusade Prayers, 6 Litany Prayers and over 40 small Other Prayers. Some of them are to be recited daily, some have special circumstances described in which we should pray them but most of them can be selected in lots according to one's own desire and concept.

Jesus asks us to set Crusade Prayer Groups devoted to these Prayers - he asks us to pray them with others for the salvation of souls and protection in these very difficult times. Crusade Prayer Groups will help to form the Remnant Catholic Church Army of Jesus Christ, faithful to the Holy Scripture and Catholic Tradition.

„These Prayers were written in Heaven and promise extraordinary Graces. They have one purpose only and that is to save the souls of everyone; every child; every creed; each sex; every religious denomination and atheists. This is My greatest Desire. You, My disciples, are under My direction. The Graces I pour over you are already bearing fruit.”

HOW TO PRAY PRIVATELY?

First you need to get to know a bit these Prayers and read them (they are available on Internet websites and printed in book form). Some Prayers are to be prayed daily, most of them should be selected in various lots - you can have your own lots or you can use lots prepared already by other people.

HOW TO SET A CRUSADE PRAYER GROUP?

At least two people must gather. In time hopefully many will join in this Mission to save all souls. This can be done in homes or public places where you are permitted to gather. If possible, this gathering should be in houses of worship.

People are to meet as often as possible. Even if you must start with one or two days a week and have different people coming each day, if you are able to meet daily which is the goal, this will at least get you started. If your Group is large enough you can have a leader and organizer volunteer or several people can share that responsibility or just rotate and share this responsibility. Perhaps you can move from house to house.

It is recommended that you have a Blessed Crucifix, Blessed candle burning and Holy Water. Let everyone bless themselves before beginning with Prayer.

At least one Mystery of Our Lady's Most Holy Rosary, prayed slowly and from your hearts, paying attention to what you are saying and knowing what you are saying and to whom you are speaking is recommended, both in the Rosary and in the Crusade Prayers and the Chaplet of Divine Mercy.

Remember that Our Lady has promised to place a circle of protection around those who pray three Mysteries of her Most Holy Rosary daily.

Our Lady has asked people of all faiths to pray her Rosary.

Spend at least an hour in prayer daily with Our Lord and Our Mother.

Recent Messages, which have been given since the last meeting, should be read slowly and respectfully.

No one is to interpret the Messages, because Jesus has already said that even Maria Divine Mercy is not qualified to interpret them. An incorrect interpretation could turn souls away.

The goal of this Mission is to reach out to all souls of all faiths or no faith. No one is excluded.

It would be helpful if copies of the Messages you read can be handed out for those who do not have a computer.

It is recommended that all of the Crusade Prayers and Litanies be prayed giving adequate time when it is requested for people to add their own intentions. It is best for people to pray their intentions silently. Perhaps people can bow their heads and then raise them when they are finished so that you can proceed without cutting anyone off. Remember some people have large families and many intentions and it is important that these all be included.

In the second Litany it is recommended that souls in complete darkness and those who will die this day be included with your other intentions,

as well as all members of the Jesus to Mankind Remnant Army and their families.

If the Group gets large enough, perhaps a leader can stand at the front of the Group so that they will know when people have completed their intentions and the Prayers can continue.

Then the recital of the Chaplet of Divine Mercy, from your hearts, followed by this special Prayer given by Our Lord:

Prayer of encouragement Fill me now, O Lord, with the Gift of the Holy Spirit to carry Your Most Holy Word to sinners who I must help save in Your Name. Help me to cover them, through my prayers, with Your Precious Blood, so that they can be drawn to Your Sacred Heart. Give me the Gift of the Holy Spirit so that these poor souls can revel in Your New Paradise.

The Chaplet may also be sung. The remaining Mysteries of the Rosary should also be prayed if time allows the Group to do this together. If not all can remain for the final Mysteries, it is recommended that those who are able to remain pray them together.

Remember that there is great power in your praying together as a Crusade Prayer Group.

Discussions of the Messages should be limited to direct and exact quotes from the original Messages.

It is highly recommended that all pray for discernment regarding the Messages because of the great danger in misinterpreting them. It is recommended that if you have difficulty in understanding a particular Message that you pray for discernment about it.

If the Group gets large enough you can rotate the recitation of the Rosary from one side of the church to the other. It is very important not to rush.

These Prayer Groups will do great work as they are part of God's Army in this battle for souls. Prayer is the weapon. Please try to keep in mind that the finer the Prayer the finer the weapon.

Prayer will, and can, save humanity

Thursday, March 7th, 2013 @ 11:05

„(...) it is important that My disciples on earth understand how prayer will, and can, save humanity. The power of prayer and, especially, the recital of the Holy Rosary, which renders the beast impotent, cannot

be underestimated. To save more souls you must also recite the Divine Mercy Chaplet.

Choose the Crusade Prayers I give you and say them, so that you can focus on different requests during each prayer group. If, for example, you are praying the Crusade Prayer for the Grace of Immunity do this in a way, so that the prayer group, that day, can concentrate on a selection of Crusade Prayers, which calls on God's protection for souls. Then on another day, focus on a selection of prayers, which are given to you for the protection of priests and clergy.

These Crusade Prayer groups, when formed all over the world, will become the armour necessary to defeat the enemy in more ways than you can believe possible. (...)

Go and plan your Crusade Prayer meetings based on the format given to you, but break them into parts, so that you can focus on special intentions. There is no need to recite all prayers together, although I urge that you do recite as many as possible during any one week.

You bring Me such joy and comfort, My precious followers. I grant you My blessings of strength and courage as you continue your quest to save souls. I love you.

Your Jesus”
